ABOUT US:

***EASTSIDE ATHLETICS INC.** began as a juniors' competitive volleyball program in 1999. As the club began to grow, we found that it was difficult to find available gym space, and the lack of practice time limited the number of participants in our program. In speaking with other local sports organizations, we found that they too were having a difficult time finding space to practice in. The dream for a multi-sports athletic facility to benefit the whole community was born. We wanted to partner with other organizations in order to offer multiple athletic opportunities all in the same space. We started a non-profit organization to accomplish that dream and **EASTSIDE ATHLETICS INC.** was created in 2013. Our mission became to offer youth and adult participants both competitive and recreational athletic opportunities in a fun and safe environment.*
